

RISING ABOVE NEW CHALLENGES

REAL ESTATE CAPABILITIES

Mapletree's business model creates value through its core capabilities in real estate development, investment, capital and property management. In Financial Year 2020/2021, the Group continued to broaden its global presence by successfully acquiring and developing data centre, logistics, office, residential and student accommodation assets in Singapore, Australia, China, Europe, India, Japan, South Korea, the United Kingdom and the United States.

DEVELOPER CREATING VALUE

Leveraging its development expertise, Mapletree transforms greenfield lands, underperforming assets and precincts into high-value real estate.

INVESTOR CAPITALISING ON OPPORTUNITIES

Mapletree pursues, seizes and underwrites new business opportunities across the entire real estate value chain.

CAPITAL MANAGER

GROWING THIRD-PARTY ASSETS UNDER MANAGEMENT

Employing a disciplined capital management framework, Mapletree delivers consistent and high returns to its investors, as demonstrated by the success of its four real estate investment trusts and five private equity funds.

PROPERTY MANAGER

STEWARDSHIP ASSETS

Mapletree provides a suite of quality property management services to its tenants and ensures that their operational needs are met.
